

WHAT IS THE URBAN RENEWAL AUTHORITY:

The Urban Renewal Authority (URA) is a mechanism to facilitate funding strategies for the revitalization of downtown Silverthorne to establish a vibrant core.

The initial Silverthorne Urban Renewal Plan was adopted in 1996. The plan was revised in 2013 following the completion of 2008 Silverthorne Comprehensive Plan.

GOALS & VISION:

The financing of the URA is available for 25 years following the adoption of the 2013 plan (until 2038).

The goals for the URA properties are to add to the tax base the town is financially dependant upon.
